C. YOUR INTERESTS

Not essential - These details help us prepare for your site visit.

The Land for Wildlife program aims to help landholders look after natural vegetation on their lands. Participation in this project is entirely voluntary. We can assist you by visiting your property, giving you advice on the natural values of your property and how you can manage the natural areas on your land. We can also provide you with advice on incentive programs designed to help landholders and protect vegetation. Other opportunities include workshops, training, networking with other landholders, help with plants, bush regeneration (depending on availability) and advice / help regarding funding opportunities.
